**TEMPORARY SUSPENSION OF BRANCH SERVICES AT
HSBC MAIN BUILDING**

With effect from today, branch services will be temporarily suspended at HSBC Main Building (BL1, L3, L5 & L6, 1 Queen's Road Central, Hong Kong), which has been included in the compulsory testing notice by the Hong Kong Government. HSBC will fulfill the relevant requirements before service resumption.

This is a precautionary measure to safeguard the health and safety of the Bank's employees and customers in light of the rapidly evolving COVID-19 situation in Hong Kong. Express Banking on the ground floor will remain in service.

Precautionary hygiene and safety measures, such as wearing masks, pre-entry temperature screening, hand-sanitisers, spaced queuing and portable acrylic screens at open banking counters, will continue to be in place across the Bank's branch network.

For enquiries about the branch services, HSBC personal customers may call or WhatsApp us on 2233 3000, while HSBC commercial banking customers can call us on 2748 8288. All customers are also advised to connect with the Centre for Health Protection if necessary (Tel: 2125 1111 / 2125 1122).

Customers, who require banking services during this period, are advised to visit other outlets. HSBC runs an extensive branch network across the city, for more information, please visit <https://www.hsbc.com.hk/branch-finder/> (Retail Banking Outlets) or <https://www.business.hsbc.com.hk/en-gb/everyday-banking/ways-to-bank/hsbc-business-centres> (Business Centres). Customers can also use the Bank's mobile banking, internet banking, phone banking or self-service banking terminals.

All mailing services in HSBC Main Building will also be suspended during this time period. HSBC Centre, located at 1 Sham Mong Road, Tai Kok Tsui, will serve as the temporary drop-off point for mailing services.

The Bank will continue to closely monitor the situation and consider other measures, where suitable.
