HSBC ADJUSTS BRANCH OPERATIONS*Customers Are Advised to Use Digital Channels or Nearby Self-Service Banking Terminals as Alternatives*

In light of the rapidly evolving COVID-19 situation, HSBC will further adjust the business hours of its retail outlets by closing on Saturdays, with the exception of branches listed below. Business hours are 9am to 12noon on Saturdays for locations that will remain open. This temporary arrangement will be effective from Saturday, 5 February 2022 until further notice.

This is a precautionary measure to safeguard the health and safety of the Bank's employees and customers, while balancing the need to ensure normal banking services to the community.

Customers are advised to take advantage of HSBC's mobile banking, internet banking, phone banking or nearby self-service banking terminals for the Bank's full range of services 24/7.

The Bank will continue to closely monitor the situation and consider additional health and safety measures, where necessary. Latest arrangements of HSBC branch operation can be found at <https://www.hsbc.com.hk/legal/important-notice/#branch>.
